### Job Description

Sonic Healthcare is hiring **medical laboratory technicians** and **laboratory assistants** across Australia. This role is ideal for candidates looking for **visa sponsorship jobs**, **government jobs**, or **full-time and part-time jobs in Australia**. Medical lab professionals will conduct diagnostic tests, analyze samples, and assist in research and medical testing.

[yarpp template="list" limit=3]

---

### Responsibilities

- Collect, process, and analyze laboratory samples.
- Conduct diagnostic tests following laboratory protocols.
- Maintain laboratory equipment and ensure quality control.

- Record and report test results accurately.
- Follow safety procedures and hygiene regulations.
- Assist in research and clinical trials if required.

---

## Skills

- Knowledge of medical laboratory procedures.
- Attention to detail and accuracy in test results.
- Familiarity with lab equipment and safety guidelines.
- Strong organizational and teamwork skills.

---

## Qualifications

- Diploma or Degree in Medical Laboratory Science, Pathology, or related field.
- Certification or licensing (if required in specific states).

---

## Experience

- Entry-level positions available for fresh graduates.
- Experienced professionals are also encouraged to apply.
